(b) RRS 27.1 is changed as follows: - The course board(s) shall be displayed for each class following its warning signal and shall be displayed for not less than 4 minutes before the start.

(c) Should the R.O. determine that a triangular or windward/leeward course be required lines 40 or 50 will be selected from the course card.

(d) In the event of the R.O. deciding to shorten a race on either a "Line 40" or "Line 50" course but have a fleet (or fleets) finish at the Finishing Line (as opposed to at a Mark in compliance with RRS 32.2a), a boat stationed at the last mark to be rounded shall display flag V and make repeated sound signals as the boats round it. After rounding, the boats shall then proceed directly to the Finishing Line and finish. If flag V is displayed on its own then all Classes racing shall have their course shortened. Where the display of flag V is accompanied by one or more Class flags then all Classes whose flag(s) are displayed shall have their course shortened. When the boat displaying flag V is in the vicinity of Marks 1 and 2, the last mark rounded by Classes whose course is shortened shall be Mark 2. This changes RRS 32.

6. Navigation Marks / Obstructions

(a) The navigation marks in and around Howth Sound shall be left as follows after a boat's starting signal:

Should they choose to sail amongst these hazards, they do so at their own risk. The Club accepts no responsibility for the consequences of any such deviation from the set courses.

7. Description of Marks

The marks are as specified on the relevant course card.

8. Starting Area - COMMITTEE BOAT STARTS

(a) The starting area is defined as being an imaginary line drawn from the Island Mark, to the Cush Mark, to the West Mark, to the Viceroy Mark, to the Island Mark.

RRS 77 is amended as follows: - Every boat shall show the number under which it is entered on each side of its mainsail, genoa (if relevant) and on its spinnaker (except 17-Footers). Should an owner wish to sail under a different sail number, notice shall be given to the R.O. before the warning signal of the race concerned. Notice shall be

given in each instance of such alteration. Failure to comply with this requirement shall result in the boat being treated as a non-starter. This instruction shall constitute "prior warning" as required by RRS Appendix G4.

15. Cruiser Class Identification

Cruisers shall fly the pennant of their class on the backstay while racing. Those not doing so from their warning signal shall be treated as non-starters. Those not doing so as they finish shall be deemed to have retired. This changes RRS 90.3.
