IRISH NATIONAL OPTIMIST CHAMPIONSHIPS

HOWTH YACHT CLUB 2011

Image Skincare are delighted to be title sponsor of the **Irish National Optimist Championships 2011**. This year's event will be held on August 16th – 20th and the opening ceremony at Howth Yacht Club on Monday 15th promises to be a great spectacle.

Image Skincare is distributed by **Renaissance Products Ltd**, based in Howth, and is the most advanced line of cosmeceutical skincare products available in Ireland. Image Skincare have their own Medical Board of Physicians constantly testing and researching new products and ingredients as well as in-house chemists who work solely for the brand. This is good news for the consumer because it means they are able to bring the highest technology and most effective delivery systems to the range, which makes a real difference when combating the effects of skin ageing.

The success of Image Skincare can be attributed to the simplicity of the products, affordability and their effectiveness. You will not be able to buy these products on the internet as they can only be obtained from licensed, professionally trained skincare professionals. This is because you will get the best results from a good skin analysis and the correct products and treatments being prescribed.

The latest line in Image Skincare is their **Daily Defense**, a range of sun protection moisturisers. These dual purpose products are ideal for those who sail – men, women and children – and whose skin regularly gets battered by the elements. Daily Defense will not only keep the skin quenched and hydrated but with **UVA/UVB Broad Spectrum protection and an SPF of 30 – 35** will ensure damage caused by sun, sea and gale force winds is eliminated.

**IMAGE SKINCARE SENDS THE BEST OF LUCK
TO ALL COMPETITORS TAKING PART IN THIS YEARS
NATIONAL OPTIMIST CHAMPIONSHIPS!**
