### OWNERS DECLARATION

- The safety of a boat and her crew is the sole responsibility of the person in charge [RRS 46] who must do their best to ensure that the boat is fully found, thoroughly seaworthy, and manned by an experienced crew who have undergone appropriate training and are fit to face the conditions encountered. The person in charge must be satisfied as to the soundness of hull, spars, sails, rigging and all gear. The person in charge must ensure that all safety equipment is properly maintained and suitably stowed. The crew must be familiar with the use and position of such safety equipment. The person in charge accepts that the responsibility for a boat's decision to participate in a race or to continue racing is theirs alone. Neither these regulations nor any action of the Organising Authority in any way limits or reduces the exclusive responsibility of the owner or the person in charge.
- The wearing of personal flotation devices, at all times, is strongly recommended at all times.
- Competitors participate in the championship at their own risk - see Fundamental Rule 4, Decision to Race. ICRA, HYC, their officers, servants and agents accept no responsibility in respect of loss of life, personal injury or loss of or damage to property sustained in conjunction with or prior to, during or after the event.
- It is a condition of entry for each boat owner to have their boat adequately insured against any risk, including civil liability to third parties and to ensure that such insurance remains valid for the entirety of the event.
